**FISCAL IMPACT STATEMENT**

**LS 7724**

**BILL NUMBER:** SB 429

**NOTE PREPARED:** Jan 14, 2003

**BILL AMENDED:**

**SUBJECT:** Judges' Retirement Benefits.

**FIRST AUTHOR:** Sen. Bray

**FIRST SPONSOR:**

**BILL STATUS:** As Introduced

**FUNDS AFFECTED:** X GENERAL  
DEDICATED  
FEDERAL

**IMPACT:** State

**Summary of Legislation:** This bill removes the restriction that prevents a retired judge who receives a state salary for services currently performed from also receiving a retirement benefit.

**Effective Date:** July 1, 2003.

**Explanation of State Expenditures:** The Judges' Retirement System is funded on a pay-as-you-go basis and the following table illustrates the increase in the recommended annual contributions (based on a projection of benefit payouts) for one judge over the next five years. The specific fiscal impact will depend upon the number of judges who would be affected by this proposal. (Note: The payouts will continue past the five years illustrated below.)

<b>Plan Year</b>	<b>Increase in Recommended Annual Contributions</b>
2003-2004	\$52,198
2004-2005	\$51,891
2005-2006	\$51,551
2006-2007	\$950
2007-2008	<u>\$939</u>
Total	\$157,529

*Background Information:* It is difficult to estimate the fiscal impact of this proposal since it is unknown how many judges this would affect. For this analysis, benefits were estimated for a retired judge who is 62 years of age with 23 years of service and currently is receiving state salary for services currently performed. It also has been assumed that this judge will cease receiving state salary at age 65. Under current statute, this retired judge is unable to begin receiving benefits from the Judges' Retirement System until age 65. This proposal would allow this retired judge to begin receiving benefits immediately.

**DEFINITIONS**

**Pay-As-You-Go Method**— sometimes called current disbursement cost method, is a method of recognizing the costs of a retirement system only as benefits are paid.
